

911 House Numbering

The Big Rapids Twp. Fire / Rescue Explorers Post 2011 is trying to raise money by selling and installing 911 emergency house signs. The money raised from this project will be used to purchase safety equipment and for outside training events.

Aside from raising money for the explorer program this will also allow for the fire department to have faster more accurate response in an emergency. In a time of need minutes count. So please help us, help you.

The price per sign will be \$25.00 installed.
