**Requirements for Obtaining Building Permits
from
Big Rapids Charter Township Building Department**

Residential Structures

(One-and Two-Family Residential with *less* than 3,500 square feet of calculated floor area)

- Building Permit Application
- Minimum of two (2) sets of plans that include the following
 - Foundation and floor plans
 - Roof and wall section
 - Building Elevations
 - Site Plan
- For Michigan approved premanufactured units; one (1) copy of the Building System Approval and the approved plans.

Commercial Structures

(Including One-and Two-Family Residential with *more* than 3,500 square feet of calculated floor area)

- Building Permit Application
- Minimum of two (2) sets of plans for the foundation and the method of anchoring the unit to the foundation.
- Site Plan

Instructions for Completing Application

Page 1 of the application: Complete all applicable sections. Note section II(c). If the homeowner is doing the construction, enter "Homeowner" in the contractor information space.

Page 2 of the application: Enter the information as required.

Page 3, Section VI of the application: Must be completed by the permit applicant and **signed**.

Section VII. Must be completed by the local governmental agency for zoning (Big Rapids Charter Township), environmental approval (district health department). Note (g) and (h). Indicate whether a well or septic approval is required. The county district health department issues well and septic permits. Driveway permit approval required from Mecosta County Road Commission for all new driveway cuts. Drain Commission approval required from Mecosta County Drain Commissioner when appropriate.

Building Permit Fees

Building permit fees may be obtained from the Big Rapids Charter Township Building Inspector.

You will need to furnish the following information when calling

- Total square footage of the structure
- Use group (i.e., "R-3" use group for single-family homes, "U" use group for detached garages, pole barns, etc.)
- Type of construction ("5B" for wood frame construction).

If you submit your building permit application and plans without money, your application will be put on hold and you will receive an invoice for the building permit fee.

When to Call for an Inspection

Please call Big Rapids Charter Township Building Permit Department (231-796-3603) prior to the time you need an inspection (normally building permit inspections are scheduled for Monday and Thursday).

Foundation Inspection

Footing Inspection – Prior to placing concrete in piers, trenches and formwork.

Backfill Inspection – Prior to backfill and after the footings, walls, waterproofing, and drain tile are installed.

Rough Inspection

The rough inspection is to be made after the roof, all framing, fire stopping, bracing, electrical, mechanical, and plumbing rough installations are in place, and before the insulation is installed.

Final Inspection

The final inspection is to be made upon completion of the building or structure, and before occupancy occurs.

Certificate of Occupancy

A new building or a building that is altered shall not be used or occupied until a Certificate of Occupancy is issued by the code official. The permit holder or authorized agent must request a Certificate of Occupancy upon the completion of the project. This request may be verbal, however, it is recommended that a written request be sent in, which includes the building, electrical, mechanical, plumbing, boiler and elevator or permit numbers, the plan review submission number. A Certificate of Occupancy cannot be issued until all fees are paid, permits are final and the work covered by a building permit has been completed in accordance with the permit, the code, and other applicable laws and ordinances. If an electrical, mechanical, plumbing, boiler or elevator permit, plan review submission or Fire Services project is not required, write "not applicable" on the request form in the appropriate space.
